6148

Fixed English Display Keypad

Compact and cost-effective, ADEMCO's new 6148 Fixed-English Keypad features a stylish, contemporary design to complement our newest generation of keypads (6160). The seamless look across the product line gives both end-users and dealers more options when choosing a keypad when cost is a main concern.

The easy-to-read, Fixed-English LCD makes operation simple. The attractive white console blends with any décor and the contoured, removable door conceals soft-touch rubber keys that are illuminated for greater nighttime visibility. Three separate dual buttons can be programmed to contact fire, police or emergency response personnel with a single touch.

Features

- Fixed-English LCD displays system status at a glance, making operation easier than ever

- Compact and easy to install

- Soft-touch rubber keys are continuously backlit for greater visibility

- Piezoelectric sounder with audible beeps to indicate system status and entry/exit delay

- System functions clearly labeled on telephone style keypad

- System functions can be easily performed using a "security code + command" entry

- Stylish white keypad with removable door blends with any décor

- Can be used to upgrade 6128 Keypads.
